

Junior School Council

11th August 2009

Present : All grades present

Chairperson: Abdullah

Issues from minutes of last meeting

1. Four square tournament to start this Friday. Only Seniors this time. It will continue next Friday. There will be a Middles tournament if it is successful. Two courts are being used and the rules have been drawn up. An announcement will be made Friday to remind everyone.
2. People are still peeking over toilets. We had a discussion about JSC reporting back to grades and buddy grades. We must remember to make a time to talk through issues with our grades or the students in our school will not know what we have been discussing. Some Junior School Councillors have not been doing their job properly.
3. The key rings and seeds Maria has will be used to thank people for participating in Four Square Tournament and Karaoke .
4. Most Junior School Councillors asked their grades about Karaoke and it was very popular so we will run this event. Could it be out of uniform?
5. Car Club did not run last week as it was wet, but it will run this week.

New Issues

1. Can we have more clubs for little kids? Eg construction club, singing club or dancing club?MS
2. Boys want better soccer goals for the oval. Fold up goals would be good. SB Eadith and Maddison to talk to Mr Korbut
3. Can we have hot water in toilets? SS. Junior School Council decided this was dangerous and it would also cost the school a lot of money.
4. Do Seniors only play with Seniors and Middles only with Middles? Is this a rule? Maria to ask staff about this

5. Can the hole in the wetlands fence be fixed? MJ Maria to write in Buildings and Grounds book.
6. Can we get a new set of bibs for interschool sport and some soccer gloves? SB

Karaoke Organisation

Next Tuesday lunchtime 18th August
