Dear Parents

As part of our drug and health education this term we are having the Life Education mobile classroom visit our school from: Thursday 4/02/16 until Wednesday 10/02/16

Life Education has been visiting our school for many years and is always a highlight of the children's year, and helps to facilitate the development of the life skills in students to prevent and minimise the harm of drug misuse.

Lessons are always age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The sessions are always fun, interactive and really extend and develop the children’s understanding of the topics covered. We will be further broadening these topics in class both prior to and after the Life Education visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session.

As this will be part of each classroom’s Term 1 topic, it is important for all children to attend and be part of the learning. School Council have generously subsidised the cost to enable all children the opportunity to participate.

The cost for this incursion is $6.00 per child

If you are experiencing difficulties with payment please see the office to work out a suitable arrangement

Please fill out the attached slip and return with payment to school by: Wednesday 3rd February

Lisa Conibeer
Principal

Dear Parents

As part of our drug and health education this term we are offering you the opportunity to visit our Life Education mobile classroom, while it's here at our school.

Have you ever considered the following?
What is my child learning in Life Education?
Have you seen inside the Life Education mobile classroom, or know of Harold?
What drug education is appropriate for primary school students?
Why do we have health and drug education?
How is health and drug education integrated into your school's curriculum?

Want to know more?
NOW IS YOUR CHANCE.

The Life Education mobile classroom will be at our school:

Thursday 4\textsuperscript{th} February at 9.00am for a parent information session

Please return the slip to the office if attending.
